Dear Ms. Sagri:

For the above referenced periods, the Libertarian Party of Elinois received notices dated Jane 4, 2003, stating, among other things, that during the referenced periods two donors contributed amounts exceeding FEC limits. These two denors were Mr. Metthew Beauchamp and Mr. Ted Semon.

It has taken me some time to track down Mr. Beauchamp, as he has not been living in lilinois in the last several months. I was able to obtain Mr. Beauchamp's address today. I will be sending both individuals, within the next few days, a letter stating that the Libertarian Party of Illinois is required by FEC regulations to inform them that FEC limits were exceeded, and that they may request the amounts exceeding FEC limits be returned to them.

I have already contacted Mr. Semon through e-mail. The letter will be a follow-up of that correspondence. I will request replies in writing from both individuals, and retain their replies with our other FEC data, for documentation in case it is required at a later date by the FEC.

It is my understanding, through conversation with you, that should the individuals involved not request the contributions in question be returned, that the total amounts exceeding FEC limits can be designated, at the FEC's discretion, as debt owed to our committee's non-Federal account from our Federal account.

If there is anything else required by our committee regarding the issue of contributions exceeding limits for the periods referenced above, please let me know. To the best of my knowledge I have complied with the FEC's requests regarding this matter. Once I have received replies from both individuals I will inform the FEC of those replies, provide documentation if requested by the FEC, and take the appropriate action based upon the replies.

Sincerely,

Julia Fox, Treasurer
